

**We are currently inviting applications for a
Client Service Manager
who will lead our team at Pembina Village in Evansburg.**

Pembina Village is a unique community offering seniors multiple levels of support in a 40-bed complex care environment. We are searching for a compassionate and adaptable individual to embrace a leadership position who will:

- foster an environment that is resident-centered with a strong focus on customer satisfaction, quality of life and continual improvement
- manage the administrative functions and day-to-day operations of the facility
- support quality improvement and best practice initiatives
- effectively plan, organize, implement, and evaluate service in accordance with Regional Health Authority service agreement, government regulations, accreditation standards, public health practices, and other legislated requirements

You are a Registered Nurse with strong communication skills and are able to maintain effective interpersonal relationships. You will need to have 5-7 years of management experience, a very good understanding of computers and if you have working knowledge of community health services this would be considered an asset as well as experience in a long- term care setting. This is a Permanent Part Time position and we are open to a schedule that is flexible to meet the needs of the ideal candidate
