CLOSING DATE **Until Suitable Candidate Selected**

POSITION Best Practice Specialist
Regional Infection Control and Prevention Coordinator
Part Time 0.60 FTE

LOCATION Lethbridge Area, Alberta

HOURS OF WORK 0800 – 1600 Hours (flexible)

WAGE \$32.92 - \$43.97 per hour.

DUTIES

Under the direction of and reporting to the Best Practice Corporate Coordinator of infection Prevention and Control (IPAC), the Regional Infection Prevention and Control Coordinator contributes to the development, coordination, implementation and evaluation of the infection prevention and control program in our sites in Southern Alberta.

This individual:

- Will work collaborating as an active team member within sites, provides a leadership role in clinical practice related to best practice IPAC
- Provides education to all levels of health care providers, as well as students, and volunteers
- Coordinates outbreak management (assisting on site as required)
- Assists in the identification, development, implementation and assessment of new policies and procedures consistent with best practice IPAC
- Works independently, assuming responsibility for own performance
- Participates in regional professional committees and external committees, as required

QUALIFICATIONS

- Baccalaureate degree in nursing or health related science, or recognized equivalent (nursing diploma and work experience will be accepted)
- Registration with provincial professional association (CARNA)
- Community and Hospital Infection Control Association (CHICA)-Canada basic Infection Control course or equivalent, (or willing to attend)
- Certification in Infection Control and Epidemiology preferred (or commitment to obtain),
- Elder care clinical experience preferred
- Computer skills required
- Strong interpersonal, oral and written communication and management skills required

REQUIREMENT

A current and Satisfactory Criminal Records Check is required for all new employees.
A vehicle is necessary as travel outside the Lethbridge area will be required.
