### DUTIES

You will be responsible, in collaboration with a multi-disciplinary team, to work closely with physicians, clients, families, and other agencies in the rehabilitation of the client including planning, assessment and interventions. You will ensure residents receive safe, quality care that is managed with a focus on customer satisfaction and continual improvement and is in accordance with CARNA Practice Standards and Code of Ethics.

### QUALIFICATIONS

You must be a graduate of a recognized school of Nursing and be currently registered or eligible for registration with the CARNA. Previous experience in long-term care or other relevant experience will be considered. BScN and Gerontology Certificate are desirable.

### SKILLS

You are an excellent communicator, role model and are able to mentor and facilitate teamwork. Recent experience in Acute Care/Rehabilitation would be an asset. You are able to successfully facilitate strong leadership, team building, change, and resource management. As an excellent role model, you are able to facilitate mentoring and teamwork. As well, you demonstrate clinical competency, problem solving, decision-making, and conflict resolution skills.

### REQUIREMENT

A current and clear Criminal Records Check is required for all new employees.
